Description

New luxury house with 4 bedrooms, located in a quiet, peaceful place in the area of Limassol-Kolossi. The house is built taking into account all modern requirements for design, communications and is fully equipped with all modern technical refinements. The house has a covered garage for two cars, a covered veranda with a barbecue, a well, a 4.5 x 5 overflow swimming pool with night lighting, a false ceiling with spot lighting, a modern ventilation and air conditioning system, and floor heating. Fully equipped Italian kitchen with expensive Milly appliances, lighting panels, a beautiful view and a quick exit to the highway, all this allows you to enjoy the comfort and elegance of this fashionable villa
